

Topic: Cadbury Products

- Here you can see the welcome frame of this project and by pressing you can easily proceed ahead in the project for further products.

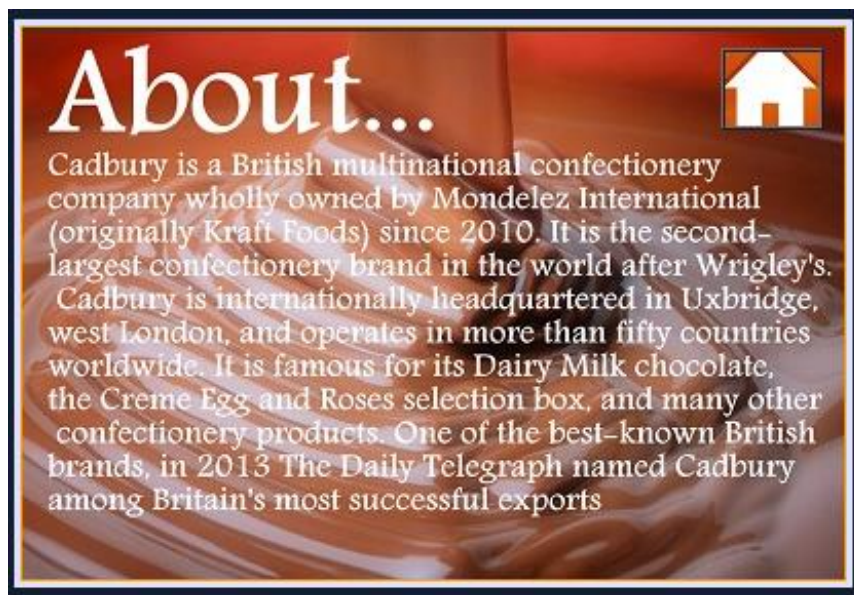

- Here guys you can see that I have provided three buttons, but for proceeding ahead in project, first you will have to login in our application and by this you will become the member of sweet Cadbury club.

- Now guys I'm gonna show you that what you will get by pressing on **contact** button.

- Now also in above frame you can see that there is one blue one button about which I had not told you before. So don't worry about that guys because that button is called back button and that button takes you to the frame called [intro].
- But we will discuss about intro frame later.
- Now I'm gonna tell you about the button called **About**.
- This button basically show you the history of our company **CADBURY** and what about the application is.

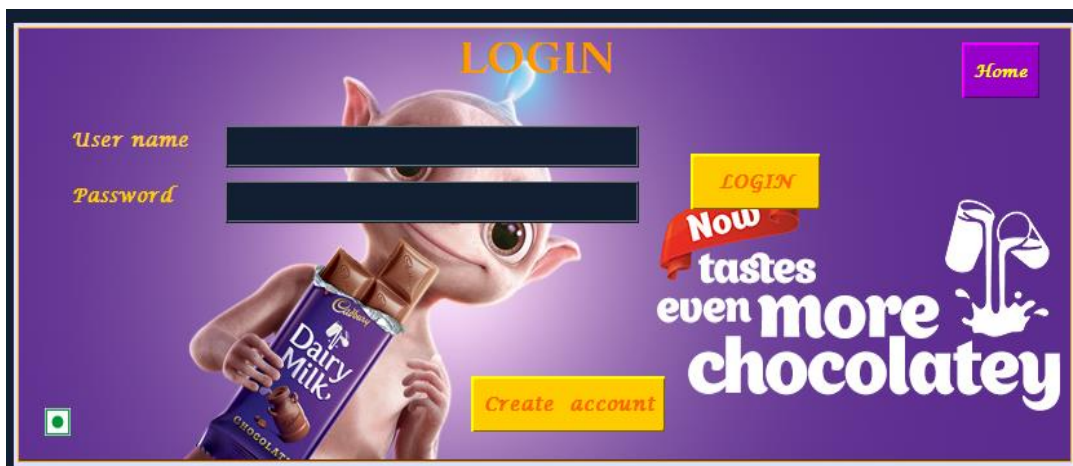

- Now again you can see that there is again an unknown button so let me tell you that this button is called **Home**
- Actually this home button will take you to the **intro** frame.

- Now, finally let's move towards our third button to which we named as **Login to Access products**.
- This login button will lead you to the way which is going to intro frame where you will get a button which is named by Get Membership and that frame will take you to the frame where you will find a page and there you have to fill some of your personal and public information to be a member of our sweet club.
- Now I'll show you that how the intro frame looks like-

- Here I'm gonna show you the page where you can easily fill your details and be a member of our sweet club.

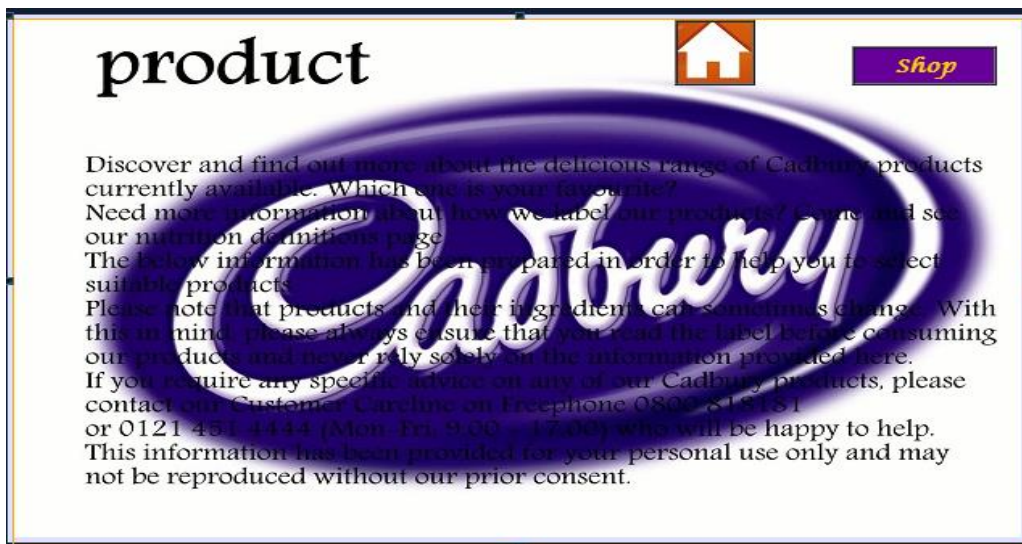

- Now guys if you already have your username and password than you can easily log in and get the membership. But if you don't have these two things than you have to create a new account through which you can get your particular username and password.
- Now here you can see another button which is named by **Create Account**.

- This button will take you the page where you can make an account through which you will get you specific username and password.
- And through this username and password you have to log in and get the membership of our sweet club.

- Now after filling your details you will just have to press join us button and its completed.
- Now, remember that there was also another button in intro frame which was named by **Products**.
- So now I'll show you what you will get by pressing that button.

- Here you can able to see another button named by Shop, so let me tell you that this button will show you numerous varieties of products of Cadbury.

- Now here you can see the button named by **place order**.
- Actually this button will take you to the frame where you can easily see the various products of our company and according to your choice you can easily place your order in whatever quantity you want.
- Here below, you can see that frame.
